

Take Note...

Kindergarten and Pre-First Weekly Newsletter ♦ August 28, 2009

This Week...

This week we have been getting to know each other better by playing, reading and learning together! We started our science unit on Animals and where they live by learning about the animals of the Savanna. In math we made our first graph! We graphed how many boys and how many girls are in our class.

Homework...

Math

Lesson 6: Please have your child do the work. You can help them by reading the instructions and encouraging them!

Homework is due on Monday mornings along with your child's folder.

Dates of Interest...

- Sept. 4 School Picture Day!
- Sept. 7 Labor Day - No School
- Sept. 23 Sacramento Zoo Field Trip

Just a Note...

Thank you for making sure your child brought back their folder on Monday!!! This was the first time the whole class has brought back their folders on the first Monday after school started!!! Congratulations!!! I am SO proud! Just a reminder... please take your child's work out of the folder and keep it at home if it is on the "Keep at Home" side of the folder. Thanks!

Another reminder... Please make sure your child is wearing a shirt with sleeves. The dress code for our school states that shirts must have sleeves. Thank you!
